

2022 PACIFIC COUNTY FAIR FFA Exhibitor Premium - Online Only

General Rules:

1. Exhibitors must turn their registration forms into the FFA Advisor **no later than August 1, 2022**. All late entries will be up to the discretion of both the FFA Advisor, Fair Manager and Barn Superintendents. FFA Advisor: Wyatt Kuiken (Willapa Valley) wyattk@willapavalley.org Jayda Jessie (South Bend) jjessie@southbendschools.org
2. Exhibitors must be FFA Members and have Advisor's permission. Advisor shall make arrangements with the Department Superintendent for supervision and care of exhibitors and projects. Any exhibitor who does not meet standards required by Fair Manager or FFA Advisor may have their premium withheld.
3. Exhibits must correspond to type, kind and amount listed in the Fair Premium Book. An animal or article will not be allowed to compete for more than one premium or entered in more than one division, except as listed in the Premium Book. Any FFA exhibitor showing similar articles or animals in 4-H will not receive premiums for those entered in FFA.
4. Exhibits shall be displayed in the manner and location assigned by the FFA Advisor. This includes stall and exhibit cards, chapter identification, decorations, any part of display or materials to maintain display and awards won by the display. Premiums shall not be awarded if the exhibit is unworthy, even though there is no competition.
5. Still Life Exhibits shall be entered Monday, August 22, 2022 from 2-8 PM on the Fairgrounds.
6. Livestock exhibits must go through vet check before entering any barns on the Fairgrounds **NO EXCEPTIONS. Vet check will be posted on the fair website. Look for specific day/times there.** The Official Fair Veterinarian's professional decision as to the health status of an animal will be final and will be upheld by the Fair Manager, Barn Superintendents and FFA Advisor.
7. **All exhibits entered in the Fair for display, must remain on the Fairgrounds until Sunday (after fair), 9am or you forfeit your premium points.**
8. The Fair Manager will use every precaution for the safe preservation of exhibits but will not assume liability for loss or damage.

GENERAL VETERINARY INFORMATION AND HEALTH REQUIREMENTS FOR ANIMAL ENTRIES

1. The health status of all entries will be ascertained by the Official Fair Veterinarian at the time of entry and will continue while on the Fairgrounds.
2. Individual Health Certificates on Washington Animals are not required for entry into the Fair.
3. Out of state animals MUST comply with Washington State import regulations. **NO EXCPETIONS.**
4. Fair Veterinarian will inspect all classes of livestock and poultry, including horse, pet animals, rabbits, pigeons, ducks, geese, turkeys, etc, before they are allowed entry into Fair buildings or exhibit areas to determine that there are no clinical indications of contagious infectious disease or parasites.
5. Fair Veterinarian must reject any animal that is determined to have infectious or contagious diseases or ectoparasites. Exhibitors should be aware that ringworm, pinkeye, warts, strangles, scabies, contagious ecthyma, lice, mites, ticks and fleas fall into this category.
6. Animals exhibiting disease symptoms during the Fair will be rejected by the Veterinarian and removed from the Fairgrounds.
7. It is recommended, but not required, that cattle be vaccinated in the current year against respiratory diseases.
8. The Fair Veterinarian's professional decision as to the health status of an animal will be final and will be upheld by Fair Management.
9. The Official Fair Veterinarian will check in all animal entries at the beginning of the Fair at the Fair's expense. Any need for professional veterinary services during the course of the Fair after initial check-in will be at the expense of the animal exhibitor requesting veterinary service.

2022 PACIFIC COUNTY FAIR PREMIUM - FFA

10. Exhibitors should note and respect the potential for exposure to health threatening conditions while at the Fair. Crowding of animals and birds, long distance hauling and changing environmental conditions are major stress factors to which exhibits are subjected.

SHEEP AND GOAT SCRAPIE DISEASE CONTROL

1. Washington State Department of Agriculture requires that black-faced breeding sheep be identified with a flock ID number assigned by the State Department of Agriculture before movement of such sheep from the premises of origin for show, sale, purchase or other movements.
2. Tattoos, electronic implants or tamperproof tags from an approved supplier may be used.
3. Black-faced sheep are defined as Suffolk or Hampshire breeds or any breed crossed with Suffolk or Hampshire.
4. Goats must also be identified, except castrated males, and those moving directly to slaughter channels must have official USDA National Scrapie Eradication assigned flock identification.

FFA LIVESTOCK

1. Cattle will not be admitted for exhibition unless they pass vet check and adhere to the general rules.
2. The Fair Veterinarian will be on the Fairgrounds and in unloading area and livestock barns, Tuesday, August 23rd. It is the duty of the Fair Veterinarian to refuse admission to any animal showing evidence of communicable disease. The Fair's minimum health requirements are the same as the recommended minimum health requirements of the State Veterinarian. The Fair Veterinarian will have the final say on the animal's health, ability to be shown and Fairgrounds Livestock Health Requirements.
 - A. Brucellosis - all female cattle will be blood tested, certificate in hand, or calfhooed vaccinated. All males over six months blood tested, certificate in hand.
 - B. Animal health treatment required while at the Fairgrounds shall be the sole obligation of the exhibitor. Any veterinarian of exhibitor's choice may be called.
 - C. Any animal showing evidence of communicable disease after having been admitted to the barns shall be removed at any time at the request of the Fair Veterinarian.
 - D. It shall be understood by the exhibitor that if at any time during the Fair their animal seriously detracts from the overall aesthetic value of the department, the Fair Manager shall request the Fair Veterinarian to dismiss the animal belonging to the exhibitor.
 - E. An exhibitor requesting the removal of an animal at any time during the Fair for health reasons must have animal examined by Fair Veterinarian and abide by the decision. Failure to do so will result in forfeiture of premium and exhibiting privileges in the future.
3. Housing of animals will be under the direction of the FFA Advisor.
4. Livestock barns are officially open to the public from 9AM to when Fair closes each day 10pm. The Fair Management will furnish bedding. All cattle are to be double tied.
5. Livestock entries are limited to two per class, with exception of market classes, which adhere to Market Livestock Sale rules. Champion ribbons will be awarded if judge deems worthy (no additional premiums for champions).
6. Fitting and Showing contest will be held before Type, Novice and Senior. Jackets and hard shoes are required. Anyone showing before 1/1 of current year in 4-H or FFA the same species loses Novice standing.
7. All FFA members exhibiting in Open Class competition must conform strictly to rules and regulations applicable to open exhibitors.
8. FFA Advisor may refuse exhibits of inferior quality.
9. All classes of pens will be judged in pens and cannot be used in other classes, for example, Market and Chapter herds.
10. **No dogs allowed in barns or on fairgrounds unless entered in the fair or an ADA Service Animal.**
11. No sleeping in the barn, unless approved by Barn Superintendent.
12. Cattle need to be double tied.
13. Fitting and Showing is a requirement of each species exhibited.
